the night?”

FEATURING

A woman with dark, curly hair is shown from the chest up, looking down and to the right. She is holding a professional video camera with both hands. The camera is a black, boxy model with a large lens and various attachments. The background is a dark, textured wall, possibly brick. The lighting is dramatic, with strong highlights on the woman's face and shoulders, and deep shadows elsewhere. The overall mood is artistic and focused.
